- Record students attempted spelling. Annotate to show parts of the word that are spelled correctly. Circle the misconceptions/error.
- Identify most likely error type(s): an attempted spelling may represent more than one.
 - o **Phonological**: sounds are missing or misheard (e.g. "libry" for 'library')
 - o **Orthographic:** sounds are represented using incorrect letter-patterns, grapheme, positional rules (e.g. "eksplane" for 'explain')
 - o Morphological: conventions aren't applied when adding affixes (prefix, suffix, base word) (e.g. "swiming" for 'swimming').
- Record next steps for targeted instruction.
